Insurance Company _____

Policy No _____ Expiry date _____

INSURANCE REQUIREMENTS FROM THE CONDITIONS OF BERTHING

7.1. The Owner undertakes and agrees to maintain in full force and effect during the term of the Licence, public liability insurance in the minimum amount of TWO MILLION POUNDS for the Vessel and any other property in the Harbour in the care, custody or control of the Owner together with such other insurance as is normal for a Vessel of its size, power and description such insurance to be effected with an Insurance Company of repute and must cover all owners of the vessel in such sums and for such risks as the Council may from time to time reasonably require.

7.2. The owner of a passenger carrying vessel approved for operation under the Council's Commercial Passenger Vessels and Waterman Licences Regulations undertakes and agrees to maintain in full force and effect during the term of the Licence, public liability insurance in the minimum amount of FIVE MILLION POUNDS for the Vessel and any other property in the Harbour in the care, custody or control of the Owner together with such other insurance as is normal for a Vessel of its size, power and description such insurance to be effected with an Insurance Company of repute and must cover all owners of the vessel in such sums and for such risks as the Council may from time to time reasonably require.

7.3. The Owner shall not cancel, surrender or materially alter the terms of his insurance policy without first informing the Council which may at any time during the term of the Licence require the Owner to produce to it evidence that the Vessel continues to be insured as the Licence requires.

4. The Owner(s) agree(s) to pay for such berth the Dues determined by the Council and to be bound by the Conditions of Berthing.

For joint owners only: The Owners confirm that this application is made on their behalf by the joint owner who holds the greatest interest in the vessel and that the Berthing Licence will be held in his sole name.

If you are an owner with a berth that has electricity available you will be charged a standing charge as well as the appropriate electricity unit cost.
