

## PROPOSED HIGHWAY WORKS IN YOUR AREA - Town Bridge, Weymouth

To enable us to carry out essential highway maintenance works, we plan to close Town Bridge Weymouth between 25th September and 30th November 2023. The road will be closed daily and there will be a one way route for HGV deliveries between 18:00hrs - 09:00hrs (6pm - 9:00am) ([see map](#))

We will be carrying out targeted and localised repairs to sections of those roads highlighted in **red** on the attached map. The recommended diversion route is marked in **blue**, and this will remain in place for the full duration of the above works. National regulations state that traffic must be diverted onto roads with the same classification as the one that is closed, or for the health and safety of all parties, vehicular and pedestrian access is only available by calling the telephone number listed on our onsite signage. This will allow residents to be escorted safely on and off site by a Traffic Management Operative.

If you wish to discuss these works in more detail, please contact me using the details below.

Yours faithfully

**Kevin Davis**
