

TERMINATION OF LICENCE FORM

The owner(s) has the right to terminate the Licence. A Licence Termination Form must be completed to record the owner(s) decision and returned to the Harbour Office. **Upon receipt** of the Termination Licence form, a 28 days' notice (14 days' notice if a temporary berth) period commences. The owner(s) remains liable for harbour dues and charges until such notice is completed or the vessel has been removed from the Harbour if later. **Pontoon key fobs and electric cards** should be returned within 7 days of relinquishing the berth. Failure to do so will result in the deposit being forfeited.

I hereby give 28 days' notice (14 days' notice if a temporary berth) to terminate the Berthing Licence for the above named vessel.

If the vessel is sold during the notice period, the owner (s) must advise the harbour office immediately but remains liable for charges until such notice is completed. The new owner should negotiate their own Berthing Licence Agreement with the Harbour Office. Rights of berthing can not be transferred upon the sale of the vessel. If the vessel remains on the berth without a Berthing Licence Agreement, additional charges will become due to the new owner and they may be requested to remove the vessel.
