Previous Port	Next Port
Last port and date when ship-generated waste landed.	Are you delivering your waste into Port Reception Facilities? All Some None Fill in types of waste overleaf

Notes

1. This information may be used for Port State Control or other inspection purposes.
2. Member states will determine which bodies will receive copies of this information.
3. This form is to be completed unless the ship is covered by an exemption in accordance with article 9 of Directive 2000/59/EC

I confirm that the details above and overleaf are accurate and correct and there is sufficient dedicated on-board capacity to store all waste generated between notification and the next port/terminal at which waste will be delivered.

Date

Time

Signature/Appointment

Type and amount of waste and residues to be delivered and/or remaining onboard including percentage of maximum storage capacity.

(If delivering all waste, complete second column as appropriate.
If delivering some or no waste, complete all columns).

Types of Waste (all figures in cubic metres)

Type	Waste to be Delivered	Maximum Dedicated Storage capacity on-board	Amount of waste retained on-board	Port/Terminal at which remaining waste will be delivered	Estimated amount of waste to be generated between notification and next port of call
