Dear

**WINTER BERTHING AT WEYMOUTH HARBOUR 2024/25**

**1 October 2024 – 31 March 2025**

Thank you for your enquiry regarding winter berthing in the outer harbour. Should you wish to book a winter berth for the above period, please complete and return the below application at your earliest convenience.

On receipt of your application, we will contact you to confirm availability. We will be in touch again prior to your arrival date to provide details of your berth number and to request a copy of your vessel's insurance details. It is a requirement for a minimum of £5 million public liability, and it is your responsibility to ensure the minimum level of insurance is maintained throughout the berthing period.

Due to the size and nature of the outer harbour it is possible that compatible vessels will get rafted alongside one another. This could be up to 3 vessels in a raft and might consist of other winter berth vessels or visiting vessels.

Every winter, Weymouth Harbour hosts a charity swim on Christmas Day. It is worth noting that you may be asked to relocate to an adjacent berth, for which you will be given a minimum of 1 weeks' notice.

The cost for **outer harbour** winter berthing is £23.25 per month, per metre/part metre (inc. VAT).

At times, winter berthing is available in the inner harbour. These berths have the advantage of providing a greater level of security, better protection from the elements and easier access if you wish to use your vessel during the winter months. The number of these berths is dependent on occupancy for annual berths and availability is not known until around September.

The cost for **inner harbour** winter berthing is £28.25 per month, per metre/part metre (inc. VAT).

Please note that living on-board is not permitted in either the outer or inner harbour, although occasional overnight stays are acceptable.

**Name:** \_\_\_\_\_

**Address:** \_\_\_\_\_

\_\_\_\_\_ **Tel. No:** \_\_\_\_\_

**Email address:** \_\_\_\_\_

Name of vessel: \_\_\_\_\_ Type: \_\_\_\_\_

Length overall: \_\_\_\_\_ Beam: \_\_\_\_\_ Draft: \_\_\_\_\_

Dates required from: \_\_\_\_\_ until: \_\_\_\_\_
