Dear

WINTER BERTHING - WEYMOUTH HARBOUR - 1 October 2026 – 31 March 2027

To book winter berthing, please complete and return the enclosed application form. On receipt of your application, we will contact you to confirm availability. Closer to your arrival date, we will provide details of your berth number and request a copy of your vessel's insurance documentation. **Please note that a minimum of £5 million public liability insurance is required.**

Due to the size and nature of the outer harbour, vessels may be required to raft alongside one another. This may involve up to three vessels and could be winter berth holders or visiting vessels.

Weymouth Harbour hosts a charity swim on Christmas Day, and you may be asked to relocate to an adjacent berth at this time. A minimum of one week's notice will be given.

Winter berthing may also be available in the inner harbour; this is dependent on annual berth occupancy and is usually confirmed from September onwards.

Living on board is not permitted in either the outer or inner harbour, however, occasional overnight stays are acceptable.

Berthing Charges (inclusive of VAT), a part of a metre will be rounded up to the nearest meter Please note that if a berth is allocated but not used, a £30 administration fee will apply.
