

Meet Our Crew:

Lesley Clarke, Administration Officer

What do you like to do in your spare time?

Having relocated to Dorset in more recent years, I love to explore Dorset, along with a bit of paddle boarding, and of course, socialising with friends and family.

What is your favourite place on earth?

The Caribbean.

When are you happiest?

When I am on holiday with family.

As a child, what did you want to be when you grew up?

Dancer/singer (and I still cannot do either!)

What's your favourite book or film and why?

Dirty Dancing – it has the best soundtrack, the best dancing and Patrick Swayze!

What would we be surprised to know about you?

I once appeared in Hello Magazine in a photo from when I attended the wedding of 'Rossi' from the Greatest Hits Breakfast Show. Rossi also attended the renewal of mine and my husband's vows in St Lucia.

What do you enjoy most about working at the Harbour?

The stunning view when I walk to work in the morning, being part of the Weymouth Harbour team, and the variety of challenges it offers.
