

LOCAL NOTICE TO MARINERS No.06 of 2024 INCIDENT MANAGEMENT EXERCISE

1. An exercise designed to test the emergency response procedures and Oil Spill Contingency Plan in place for Weymouth Harbour is planned for Tuesday 14th May.
2. For exercise purposes only, oil spill booms will be deployed in the Harbour Entrance adjacent to Berth No.1, to practice deflection and collection techniques. The booms will be deployed leaving a clearwater passage for vessels to pass through, towards the south side of the channel, as shown below:

3. To minimise disruption to navigation, the booms will only be deployed during the morning, and Vessel Traffic information will be broadcast by Weymouth Harbour Radio on VHF Channel 12.

4. Masters and operators of vessels are advised to keep a sharp look-out and navigate with care and caution while transiting the indicated areas.
5. This notice will self-cancel on completion of the exercise.
6. Owners, Agents, Charterers, Marinas, Yacht Clubs, Recreational Sailing Organisations and Water Sports Associations should ensure that the contents of this notice are made known to the Masters, or persons in charge of their vessels or craft.
