Notice to Mariners No. 02/22

Weymouth Harbour – Construction and Diving Operations

Mariners are advised from Monday 10th January 2022, Hanson and Apex will be conducting wall repair work on Harbour Wall C (outlined in red below). This will include diving, crane, and vessel operations within this locality.

Vessels will assist in the diving operations and will display the Alpha Flag when diving is being conducted. The International maritime signal flag Alpha has the meaning of "I have a diver down; keep well clear at slow speed."

The Vessel may be contacted directly and will maintain a listening watch on VHF channels 16 and 12.

Vessels within this area are requested to proceed with caution and maintain a safe distance, well clear at all times. No mooring will take place at these locations during this construction work.

This notice will be self-cancelling on completion of the works.

Owners, agents, charterers, marinas, yacht clubs, recreational sailing organisations and water sports associations should ensure that the contents of this notice are made known to the Masters or persons in charge of their vessels or craft.
