**WEYMOUTH HARBOUR**

**Notice to Mariners No 2/98**

**MISUSE OF SAFETY CHAINS AND QUAYSIDE ACCESS LADDERS**

Mariners are warned that the practice of securing fish/crab keeps to Harbour Quayside Ladders and Safety Chains is to cease immediately.

Under Dock & Harbour Regulations ladders and safety chains are provided for the safety of life purposes and under the control of the Health & Safety Inspectorate and Harbour Master in particular.

Crab/fish keeps obstructing ladders and safety chains will be removed without further warning.

NB. Owners, Agents, Charterers, Marinas, Yacht Clubs and Recreational Sailing Organisations should ensure that the contents of this Notice are made known to the masters or persons in charge of their vessels or craft.
